HOLDING BRAND OR TATTOO

LOCATION ON ANIMAL

- 1) Fill out the form entirely and if you have any questions email us your question include your contact information.
- 2) Please record DNA by the animals registration number.
- 3) If the person registering the animal is not the breeder then the animals name MUST have the Breeders prefix in front of its name. If animal is hardship or the breeder has no prefix then the animals name will not include a breeders prefix.
- 4) Breeder is the Person / Ranch who owned/owns the Cow/Dam of the animal being registered at the time of service. The Breeders signature must be on application to validate this application for registration.
- 5) If the animal has been branded then please include the copy or drawing of the brand/Tattoo as well as the location of the brand by marking with an **X** on the animal above. Although It is not mandatory that you brand your animals but We highly recommend that you tattoo them inside of the ear with your brand.

****PHOTO REQUIREMENTS**** Three each, clear, close up color photographs of both sides of the animal are required to accompany each application. These photographs should include a full side views with the animals head facing the camera and either be on high quality photo paper or 8 mega pixel or greater HD digital file image to be included with the application so that it can be used on registry and certifications when reviewed by the registrar. Please also note that we will not accept any altered photographs or pictures with visual filters. Thank you, WCC
